Fegley's BETHLEHEM Brew Works

559 Main Street Bethlehem

5:30 – Happy Hour with Networking

6:15 – Electric Vehicles: Technology, Infrastructure, Market Demand

Speaker: James Rosenberger, Allentown Captain of National Drive Electric Week.

The end of the ICE Age (Internal Combustion Engine) will only happen if we embrace electric vehicles. Learn about current sales trends, availability and the barriers for the electric vehicle market. James Rosenberger is an Electronics Engineering Technology graduate of Pennsylvania College of Technology who is finishing his electric cars certificate program with the Delft University of Technology. He is the author of a data-based blog Free Joule: www.freejoule.com.

National Drive Electric week is September 8-16.

The Lehigh Valley's Premier Green Networking Event!

Green Drinks is an informal monthly mixer that brings together folks who are interested in sustainable business, policy and living. Meet other concerned and committed eco-warriors to share drinks, conversation and news of what's up in their part of the planet. Drinks (including organic and local specials), brief program and lots of time for Q&A! Drop in when you can; stay as long as you'd like!

Eat, drink and be green!
