

## LVPC PROJECT REVIEW SUMMARY SHEET

Comprehensive Planning

Date: November 2016

PROJECT	MUNICIPALITY	BRIEF STATEMENT OF PURPOSE	LVPC COMMENT
1. Zoning Ordinance Amendment	Plainfield Township	Modification of regulations for wireless communications facilities	Mostly matters of local concern, specific regulations that show sensitivity to Blue Mountain Conservation District are consistent w/ County Comprehensive Plan.
2. SALDO Amendments	Allen Township	Street and curb construction, wetlands/waterway encroachment	Matter of local concern.
3. Zoning Ordinance Amendments	Lehigh Township	Public Right-of-Way Management for Communications Facilities	Mostly matters of local concern; however, introduction of Stealth Technology is consistent w/ County Comprehensive Plan. General provision to allow above-ground tower facilities if installed in ROW could result in towers on the Blue Mountain Conservation Zone, which isn't as restricted as it could be. Such a provision is inconsistent w/ County Comprehensive Plan.
4. Zoning Ordinance Amendments	Hanover Township (Northampton)	Resubmission of Medical Marijuana Ordinance from October 2016.	Two minor changes, one of which is consistent with the County Comprehensive Plan and the other is a matter of local concern.
