FEBRUARY 8, 2021 MEETING**

Attendance Sheet Below.

Brien Kocher of Bushkill Township called the meeting to order at 6:00 p.m. The summary notes of the January 11, 2021, meeting were distributed. B. Kocher stated if there are any corrections, please let L. Stauffer know.

Land Uses of Regional Significance Discussion

Geoff Reese reviewed the definitions for land use categories as defined in FutureLV including the minimum criteria that would prompt LVPC to consider it a land development plan of regional significance. He also provided the definitions that are provided in the Nazareth Area Plan from 2006 for a land development plan of regional significance. Geoff suggested the definitions described in the current plan should be consistent with FutureLV. He also recommended everyone review the definitions and provide any feedback they may have.

Natural Resources and Agricultural Lands Percent Preserved Discussion

Geoff provided and reviewed maps and charts pertaining to the natural resources and agricultural land preservation within the Nazareth area.

Municipal Identity/Aspirations Discussion

As a result of the individual interviews, Geoff put together various facts and features of each of the participating municipalities. Each of the municipalities should review their particular facts and features and provide Geoff with any feedback on the information.

Re-development/Adaptive Reuse Homework

Discussion on community redevelopment.

Project Schedule

Geoff reviewed the proposal for how the remainder of the project will unfold. Questions were asked on the project schedule. Becky Bradley assured the committee members that LVPC will work diligently to bring this project to a close.
